Don't talk
to people.

"THANK YOU"

There are many other ways to convey things.

I'm not
really sorry.

QUALIFICATIONS
TO HAVE A
"VOICE" huh...

Why?

"THIS IS MY
PRESENT TO
YOU, BECAUSE"

"HERE."

"MOM AND
DAD'S RELA-
TIONSHIP WAS
BETTER AND
LATER..."

"I DON'T
WANT THAT..."

"THINK
HOW FAST"

"IT'S SO
CLOSE!"

"I'LL
RUN IT
CAREFULLY"

And my voice.

Never came out.

Psychogenic Loss of the Voice!
A child thinks that whispering because of a
strong desire for attention, and the loss
of voice is due to this cause.

TO
THAT

WELL,
WHY

Dear Fujiwara Takuya-senpai,

But the
truth is

I wanted
a word so
much that
I couldn't
stop it.

They
were
by people

Truth is,
I was very
jealous.

and with
Suzuki
happily
talking.

can I comp
see you?

YOU STILL
SAVE ME
A SMILE.

EVEN
THOUGH
YOU
WEREN'T
ABLE TO
TALK.

...JUST
THAT WAS
GOOD
ENOUGH.

That lit
up my
heart.

The
light
of
hope.

and
made
me
smile.

It shined
up the
smile in
my heart.

And
now

My
feelings are
confusing.

— I
want
to.

See
your
smile
and
feel
happy.

Even
if it's
a little
at a
time.

Let's make
lots of fun
memories.

I found a light.

My
confined
feelings
thank's to you

Under this
blue sky

Let's dream
about

Let's
dream

Like the wind
